Games • Jigsaws  
Colouring Books

**This year we have an extensive new product launch, with thirteen new games and jigsaws. In addition to this we have redesigned our classic Tummy Ache game along with three fantastic jigsaws. 2022 will also bring a full packaging redesign to our jigsaws range.**

With Learning Made Fun at the core, our range continues to offer a variety of popular themes and price points to appeal to a broad range of consumers, offering our retail customers the opportunity to achieve high levels of sales all year-round.

We are proud of our British heritage and continue to manufacture the majority of our products in the UK. We are passionate about offering high quality products with a low impact on our environment, whilst using paper from sustainable sources and game board made from recycled materials to manufacture our entire range.

Many of our games and jigsaws have been crowned award winners over the years, voted by industry professionals, parents and children themselves. Our success in winning awards reinforces consumer confidence in our products and the Orchard Toys brand.

## Layout Suggestions for Limited Space

Our packaging has been designed to stand out from any angle, with bright and colourful character illustrations, age and product information.

Here are some examples of how to create a strong display with limited shelf space.
